INDEPENDENT AUDITOR'S REPORT

To: Executive Director Kathleen McGoey and the Board of Directors of
Longmont Community Justice Partnership
Longmont, Colorado

We have audited the accompanying financial statements of Longmont Community Justice Partnership, (a nonprofit organization), which comprise the statement of financial position as of December 31, 2017, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Longmont Community Justice Partnership as of December 31, 2017, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Note 1 - Nature of Organization and Significant Accounting Policies

Nature of Organization. Teaching Peace, Inc., dba Longmont Community Justice Partnership hereinafter referred to as "the Organization" or "LCJP" was incorporated in November 1994 for the purpose of providing restorative justice to residents in and around Longmont, Colorado. Program values include respect, responsibility, relationship, repair, and reintegration.

The basic programs of the Organization are as follows:

CRJ - The Community Restorative Justice (CRJ) program works in conjunction with the Longmont Police, Municipal Court and Probation to work with victims and offenders to successfully repair harms caused by crime and conflict. Re-offense rates for offenders who successfully complete restorative justice processes average only 10%. Ninety-five percent (95%) of participants report being satisfied with the CRJ process.

RPS - The Restorative Practice in Schools (RPS) is a training program specific to school personnel. LCJP trains school staff, administrators, and district level officials in the use restorative practices as tools to address students' behavioral issues, and interventions that can be used in place of suspensions or expulsions. RPS is a joint effort of LCJP, Longmont Police Department's School Resource Officers and the St. Vrain Valley School District.

Volunteer & Training: The Volunteer & Training program supports all LCJP services through the recruitment, training, and maintenance of volunteers. Volunteers' presence and leadership enables LCJP's services to be truly community-driven. In 2017, volunteers contributed over 2200 hours of their time to support implementation of restorative justice in Longmont. In addition to volunteers, LCJP trains youth and adults from various stakeholder groups, including schools, universities, law enforcement agencies, and judicial districts to utilize restorative practices and participate in restorative justice processes.

Use of Estimates. The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Basis of Accounting. The financial statements of the Organization have been prepared on the accrual basis of accounting and, accordingly, reflect all significant receivables, payables, and other liabilities.

Basis of Presentation. LCJP distinguishes between contributions received for each net asset category in accordance with donor-imposed restrictions. The Organization complies with established standards for external reporting by not-for-profit organizations, which requires that resources be classified for reporting purposes into three net asset categories according to externally (donor) imposed restrictions. The three net asset categories are as follows:

Unrestricted net assets. Unrestricted net assets are not subject to donor-imposed stipulations.

Temporarily restricted net assets. Temporarily restricted net assets are subject to donor-imposed stipulations that may or will be met either by actions of the Organization or the passage of time. Once the stipulation is met, the assets are released from restriction and the expenditure is recorded in the activities of unrestricted net assets.

Permanently restricted net assets. Permanently restricted net assets are subject to donor-imposed stipulations that require the donated assets to be maintained permanently by the Organization. Generally, the donors of these assets would permit the Organization to use all or part of the income earned on the corpus for general or specific purposes. Currently, there are no permanently restricted net assets.

Board-Designated Endowment. LCJP has interpreted the State of Colorado enacted Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, LCJP classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by LCJP in a manner consistent with the standard of prudence prescribed by UPMIFA. In accordance with UPMIFA, LCJP considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the various funds, (2) the purposes of the donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of LCJP, and (7) LCJP's investment policies.

Notes to Financial Statements

December 31, 2017

Note 1 - Nature of Organization and Significant Accounting Policies (continued)

The State of Colorado enacted UPMIFA was effective September 1, 2008. The provisions of this law apply to endowment funds existing on or established after that date. Currently, LCJP has only board-designated endowment funds and does not currently have any donor-restricted funds that meet the definition of endowment funds under UPMIFA. As required by accounting principles generally accepted in the United States of America, net assets associated with endowment funds, including funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

Functional Allocation of Expenses. Direct expenses have been allocated to the applicable program for which the expenses were incurred. Indirect expenses have been allocated between program and supporting services based on an analysis of personnel time and space utilized for the related activities.

Cash and Cash Equivalents. LCJP considers all highly liquid debt instruments with maturities of three months or less to be cash equivalents. The carrying value of cash and cash equivalents approximates fair value because of the short maturities of those financial instruments. Certain cash is restricted for long-term purposes and, accordingly, is excluded from cash and cash equivalents.

Investments. Investments in marketable securities with readily determinable fair values and any investments in debt securities are reported at their fair values in the statement of financial position.

Fair Value Measurements. The Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1. Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access.

Level 2. Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Teaching Peace, Inc. dba Longmont Community Justice Partnership

Notes to Financial Statements

December 31, 2017

Note 1 - Nature of Organization and Significant Accounting Policies (continued)

Level 3. Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The valuation methodology may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Property and Equipment. It is the Organization's policy to capitalize property and equipment at cost for purchases over \$5,000, while repair and maintenance items are charged to expense. Donations of property and equipment are capitalized at their estimated fair value at the date of gift. Such donations are reported as unrestricted contributions unless the donor has restricted the donated asset to a specific purpose. Property and equipment are depreciated using the straight-line method over the estimated useful lives of the assets. Currently, LCJP has no property and equipment.

Contributions and Promises to Give. Contributions are recognized when the donation is received. Donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets. Contributions and grants that are restricted by the donor or grantor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized.

Notes to Financial Statements

December 31, 2017

Note 1 - Nature of Organization and Significant Accounting Policies (continued)

Grants receivable are due from government agencies and nonprofit entities. These receivables are stated net of allowances for uncollectible accounts. Management provides for probable uncollectible accounts through a provision for bad debt expenses and an adjustment to the allowance account, based on its assessment of the current status of individual accounts. Balances still outstanding after management has used reasonable collection efforts are written off through a reduction to the allowance account and a corresponding reduction to pledges and accounts receivable. Management believes that all grants receivable are fully collectible at December 31, 2017 and 2016.

Contributed Services and Supplies. Contributed services and supplies are recognized if services received (a) create or enhance non-financial assets or (b) require specialized skills and are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation. Total donated supplies, materials and professional services for the years ended December 31, 2017 and 2016 were \$24,441 and \$14,742, respectively.

A substantial number of individuals have made contributions of their time to assist the Organization in a variety of tasks and services. The value of these services is not recorded in the accompanying financial statements, as these services do not meet the criteria for recognition.

Advertising. The Organization expenses marketing and community education costs, including donated advertising, as they are incurred. Total marketing and community education costs for the years ended December 31, 2017 and 2016 were \$1,115 and \$1,475, respectively.

Income Taxes. LCJP is a nonprofit corporation exempt from income taxes as described in Section 501 (c)(3) of the Internal Revenue Code and is classified by the Internal Revenue Service as other than a private foundation. The Organization may be subject to income tax on unrelated business income. Income taxes from unrelated business income are recognized when incurred.

LCJP has adopted the provisions of ASC 740, pertaining to accounting for uncertainty in income taxes. The new pronouncement requires the use of a more-likely-than-not recognition criteria before and separate from the measurement of a tax position. An entity shall initially recognize the financial statement effects of a tax position when it is more likely than not, based on the technical merits, that the position will be sustained upon examination. With respect to LCJP, this would primarily relate to the determination of unrelated business taxable income and to the maintenance of its tax exempt status.

Notes to Financial Statements

December 31, 2017

Note 1 - Nature of Organization and Significant Accounting Policies (continued)

Management has evaluated the adopted policies and procedures that have been implemented to provide assurance that income is properly characterized and activities that jeopardize its tax exempt status are within limits established under existing tax code and regulations. Management has determined the effects of uncertain tax positions are not material to the Organization for recognition or disclosure in the accompanying financial statements and, accordingly, no income tax liability has been recorded for uncertain income tax positions in the accompanying financial statements.

The income tax years 2009 through the current year are open for examination and are subject to taxation at corporate tax rates. Additionally, penalties and interest may be assessed on income taxes that are delinquent. The assessment of uncertain income taxes is subject to estimate, and it is reasonably possible that the estimate may change in the near term and the change may be material.

Note 2 - Investments and Fair Value Measurements

Within the fair value hierarchy, LCJP's investments as of December 31, 2017 and 2016 were all level one investments of \$55,299 and \$2,978, respectively.

Changes in Fair Value Levels. The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

Management evaluated the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer. There were no transfers up or down levels 1, 2, or 3 during the years ended December 31, 2017 and 2016.

Note 3 - Commitments

Operating Leases. The Organization leased office space under a cancelable operating lease. Rent expense under the lease totaled \$15,600 and \$20,200 for the years ended December 31, 2017 and 2016, respectively.

Teaching Peace, Inc. dba Longmont Community Justice Partnership

Notes to Financial Statements

December 31, 2017

Note 4 - Temporarily Restricted Net Assets

The Organization had no donor restricted balances temporarily or permanently restricted net assets at December 31, 2017.

Note 5 - Retirement Plan

In 2008, the Organization established a SIMPLE IRA plan, for its full-time employees. The plan includes a discretionary match, based on a percentage of annual gross wages. In order to be eligible to participate, an employee must have completed 90 days of employment and have attained the age of 21 years. All employer contributions are immediately vested. The Organization contributed \$4,344 and \$2,776 during the years ending December 31, 2017 and 2016, respectively.

Note 6 - Concentration of Credit Risk

Concentration of Revenue. Approximately 33% and 52% of LCJP's revenues were received from the City of Longmont during the years ended December 31, 2017 and 2016, respectively.
